

Planning Your Trip

Where Will You Go?

Let us know if there is a region, country, or type of ministry that is important to your team. We have partners all over the world! These are some of the nations available for teams in 2019:

What Will You Spend?

We want to help you wisely utilize the resources God has given you, so OneHope trips fall in a variety of budget ranges. Lodging can be arranged from dorm style to hotel suites. Ground transportation can range from shared rides to a private tour bus. We can always adjust accommodations to find the right fit for your team and trip budget!

How Will You Serve?

OneHope will create a trip that pairs your church's unique skills, gifts, and ministry callings with the needs of the global Church. Sharing God's Word with children and youth alongside local churches is the core of every trip, but we can combine this with a unique ministry focus that fits your team.
