

# OneHope Teams Trips

## Who Is OneHope?

OneHope's mission is to affect destiny by providing God's eternal Word to all the children and youth of the world. Since 1987, we have partnered with the local church to deliver a contextualized Gospel message to more than 2 billion young people.

OneHope believes the living and active Word of God transforms lives and the local church is the hope of the world with a commission to proclaim the Good News. Therefore, we are committed to providing resources and training to the local church to empower them to effectively reach the children and youth of their community with the hope of the Gospel.

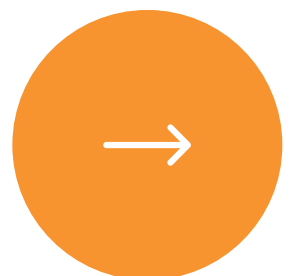

## What Are Teams Trips?

Teams trips are an opportunity for you to serve alongside local churches that are impacting the lives of children and youth in their communities by sharing God's Word.

You'll participate in evangelism and ministry opportunities such as *Book of Hope* distributions, film showings, orphanage visits, and other outreach opportunities.

### Benefits

- Experience an increase in passion, vision, and engagement with the mission of God, both internationally and in your daily life upon return.
- Gain a greater understanding of our world, the Church, and how the Church in the U.S. can effectively partner with the body of Christ around the world.
- Gain a deeper understanding of the work of OneHope and our vision of *God's Word. Every Child.*
- Be directly involved in sharing God's Word with children and youth.

## Availability and Next Steps

- OneHope serves churches in countries all over the world. For security, logistical, and ministry priority reasons, we have a limited number of countries for you to choose from each year. In 2024, the following countries are available: Bolivia, Colombia, Peru, Guyana, Mexico, and the Dominican Republic.
- Once you're ready to plan your trip, you will meet with our Engagement Coordinator to learn about the available locations and address any questions you have.
- As you start to dream about who you will bring on your trip, we recommend recruiting a team of 10-15 people. We can't wait to meet you to learn more about what you are envisioning!
